**RESTATED AND AMENDED ARTICLES OF INCORPORATION
OF THE
UTILITIES TELECOM COUNCIL**

TO: Department of Consumer and Regulatory Affairs
District of Columbia

Under the provisions of Title 29, Chapter Four of the District of Columbia Code (the District of Columbia Nonprofit Corporation Act (the "Act")), the undersigned domestic nonprofit corporation hereby adopts the following Restated and Amended Articles of Incorporation.

FIRST: The name of the corporation is Utilities Technology Council.

SECOND: The period of duration is perpetual.

THIRD: The purposes for which the Corporation is organized are as follows:

- 1) The Corporation is organized and shall be operated exclusively as a nonstock, nonprofit trade association within the meaning of Section 501(c)(6) of the Internal Revenue Code of 1986 and the Regulations thereunder, as they now exist or as they may hereafter be amended (hereinafter collectively referred to as the "Code"), and specifically:
 - a) To educate and represent its members on all telecommunications, operations and information technology developments that could have an impact on their operations and to enhance the professional growth of the Corporation's member representatives. In furtherance of these purposes, the Corporation's scope of activities shall include but shall not be limited to:
 - i) Providing all member services necessary to educate and support the Corporation's member representatives as critical resources to their employer organizations and to enhance their professional growth.
 - ii) Providing all necessary governmental affairs representation to develop and maintain a legal and regulatory climate favorable to meeting the Corporation's members' telecommunications, operations and information technology needs.
 - iii) Providing coordination in areas such as spectrum usage, governmental affairs positions and recommended industry practices.
 - iv) Assisting members and their representatives in understanding and profiting from changes in the telecommunications, operations and information technology industries brought about by competitive forces and changes in regulation and technology.
